

**Giving the Gift of Warmth – Charity that Evangelizes!**  
**2022 Minnesota Coats for Kids Matching Program**

Knights of Columbus across the US and Canada have been growing the charitable reach of our Coats for Kids program since 2009. Since then, over 370,000 coats have been donated to kids who need them by these men they call Knights!

Partnerships with schools, shelters, police and fire departments are just some of the ways Councils are getting coats where they are most needed, showing once again that Charity is the Knights of Columbus' first principle. Minnesota Councils running this program can count their distribution as a featured program by distributing 96 coats.

For councils who wish to participate in the 1 for 1 offer, coats need be ordered through the State using the form attached. Checks are to be made out to Minnesota Knights of Columbus with "Coats for Kid Matching" in the memo. **All forms and checks need to be sent to State Secretary Bou Gazley, 5379 56<sup>th</sup> Ave NW, Rochester, MN 55901-3892.**

Prices shown are per case of twelve (includes ground shipping only) for orders shipped to addresses in the continental United States. Coats are only sold by the full case.

Pre-packed cases will contain either boys' coats or girls' coats (mixed cases are not available). Councils can source the coats where they choose but Supreme has a living wage agreement with our vendor to ensure our funds support ethical business. Please note coats are offered for charitable purposes and not to be resold.

Once again, this year, our Supreme Council is offering a 1 for 1 match, if you order through the State, and meet certain qualifications!
