

**Please Join Us at the
Ladies Exemplification Luncheon
“Beyond the Horizon”
November 2, 2019**

As the wife of the District Master, it is my pleasure to welcome Sir Knight's Ladies to attend the Ladies Luncheon at the Exemplification in Winona, November 2, 2019 at 11:30. I look forward to meeting many of you for the first time and renewing old acquaintances.

We will gather at the Minnesota Marine Art Museum where we will begin with District Master Brad briefly talking about the projects the 4th Degree maintains and give us an explanation of the colors. Exemplification Faithful Friar Father Paul Haverstock will then lead us in prayer before the meal. The Bishop Kelly Assembly has arranged a wonderful lunch catered by Blooming Grounds of Winona. Lunch includes your choice of a **Veggie Wrap**, which consists of red onion, cucumber, green pepper, lettuce, Swiss, provolone and cheddar cheeses with ranch dressing on a tomato basil tortilla; **Ham & Swiss Wrap**, which includes Swiss cheese, ham, lettuce, red onion with honey mustard on a flour tortilla or **Caesar Wrap**, which consists of chicken, lettuce, parmesan with Caesar dressing on a garlic herb tortilla.

Following the meal we will be touring this magnificent museum which will take you beyond the horizon as you view great art works inspired by water from Picasso, Monet, Renoir, Morisot, and Degas as well as many others. Truly a special opportunity!

As is our custom we try to help those in need whenever we get together with our Knights. This year we will be collecting monetary donations to help support K of C Refugee Relief Program, impacting persecuted Christians in the Middle East. In that region, the population of Christians used to be 20%, now it is about 5%. Some might speak the same language as Jesus, 2000 years ago! Thank you in advance for your generosity.
