

MINNESOTA STATE COUNCIL

Worthy District Deputies,

It has been 5 months since we met to start our year. To be frank, we are doing great on some items and very poor on others. It's time to come together again, review where we have been and plan on where we need to go as a state council.

Our Mid Year meeting will be on Friday, December 6 to Sunday, December 8. Our meeting place will again be at the Airport Hilton near the Mall of America in Bloomington.

Attached to this is the information you will need to get registered. First go on line and register with the hotel. Then register for your meals. You must do both! The absolute best way is to go on line at mnknights.org and look for the mid year organizational meeting.

The link is: <http://group.hilton.com/KnightsofColumbus> You will need a credit card to register at the hotel; the state will pick up the room if you show up. You can also call the hotel direct; remember to tell them you are with the KC's to get the proper rate. BEST WAY FOR HOTEL IS TO REGISTAR ON LINE. If you register and then skip the meeting and not cancel the room reservation, you will be charged for the room and no, the state will not pick up that charge.

When you are registering for meals, if you are not a breakfast eater, please don't order breakfast. We get charged for the meal whether or not you choose to not make it that morning. We want to be good stewards of the state's money. Same goes for Friday night if you don't think you will get there in time.

PLEASE MAKE BOTH ROOM AND MEAL RESERVATIONS BY NOVEMBER 20th

Your wife or special friend are invited for the weekend. Activities are planned for them or they can take the shuttle to MOA and shop for your Christmas gift. Please register them when you are on line.

Please bring with you 1. Your individual councils report 944A for the first 6 month which is due in December, 2. Any degrees you plan on holding whether they are first or second or third. We need a game plan for the next six months. 3. Your expense report for the first six months if you haven't turned them in yet to me. DO NOT ADD MILEAGE FOR THIS MEETING TO THIS REPORT. I will have a separate one for you to fill out just for this meeting; nothing else should be added to this expense voucher.

I need your presence at this meeting. If you can't attend please inform me as soon as you can. You will still need to send in your expense form as well as your upcoming degrees and your evaluation of your councils. If you have a district warden, he is invited. Please check with him as we may have missed him in the mailing.

I hope your tender as a district deputy has been good whether you have been around for a few years or this is your first year at it. This is the best position in the Order. Thank you for what you do.

See you next month in Bloomington,
