

Report of the State Chaplain, May 18,2019

I participated in our four State Council meetings, as well as District meetings, and local council meetings (as available.)

I attended the Supreme Convention and its Chaplain's meeting in Baltimore, Maryland.

I have sent St. Michael medals and prayer cards to those who have requested them.

I attended the K of C Auxiliary State Convention in Faribault April 27.

It has been my privilege to serve as State Chaplain these last two years. May God continue to bless the Knights of Minnesota! Vivat Jesus!
