Grand Knight Council #9905

MN State Ceremonials Director

MN Knights of Columbus nominations committee,

I would like to nominate Jeremy Hadash for Minnesota Knights of Columbus State Warden. Jeremy is a dedicated Knight From the Blaine/Coon Rapids Council # 5141 where he has served as Grand Knight for 3 consecutive years.

He came up through the Knights chairs as an Inside Guard, Recorder and Lecturer.

As a 4th Degree member of our Order Jeremy has held the positions as Faithful Outer Sentinel and Faithful Comptroller.

He is presently a District Warden and will take over as District Deputy for District #51 on July 1st 2020.

Through his many talents with social media he has been able to attain the position of MN Knights Media Relations Chair for the State Council.

He is constantly helping councils grow their membership with free advice and counseling so that they can use the social medias available to their fullest extent. Many times publishing advertising for these councils for little or no cost.

He has new and innovative program ideas that have grown his council and isn't afraid to share them with other councils.

He was a delegate for the State of MN Knights in the 2019 137th Supreme Convention. He also served on the Convention committee in media relations and volunteer uniform design and supply.

Therefore I am compelled to nominate Jeremy Hadash to be the next MN State Council Warden.

Respectfully submitted,

Don Trudeau
