

Knights Midyear Meeting Ladies Event

December 4, 2021

Ladies,

Thank you for attending the Knights of Columbus Midyear Meeting with your husband or special friend. The support you give him and the time and talent you share with us are greatly appreciated. I, along with all the State Officer wives, look forward to welcoming you to our lady's activity at the December meeting.

Ann Taylor from the Robbinsdale Women's Center will be coming to speak to us about pro-life issues and the work they do to promote pro-life. She works directly with clients and has encountered many situations and heard many stories. The Knights donated an ultrasound machine to them a while ago. What is unique about this Resource Center is they have a Real-Time Prayer Line asking others to join in prayer for mothers and babies in crisis. Ann will share how you can join in on this endeavor if you choose. We will be collecting voluntary donations for the Robbinsdale Women's Center as our act of charity. You will find a list of their needs at the bottom of this invite. All items must be new. You can bring your donation to the presentation. I know you will be generous.

We will gather in the PELICAN ROOM on second floor of the hotel to listen to Ann's Presentation. Seating begins at 10:15 a.m. The presentation is from 10:30 a.m. - 11:30 a.m.

We will join the Knights at Noon in the Ballroom for lunch.

Your afternoon will be free for relaxing or perhaps a shopping trip to Mall of America. The hotel will provide a free shuttle service to MOA from 1 p.m. – 4 p.m.

Looking forward to a great day!

Martine Whatmuff
Wife of State Deputy David Whatmuff
