NO WARM-UP SESSION

There will be no personal basketballs allowed in the building. With the COVID Issues there will not be a warm-up session before the contest begins to limit the contact between contestants, family, and staff.

Contestants will have 3 warm up shots followed by 25 consecutive free throw attempts from the foul line. To break a tie, contestants will take a second round of five free throws. No warm up shots are permitted for the tie breaker rounds. Successive rounds of 5 free throws each continue until a winner emerges.

All Contestants will remain in their age group on the floor for the duration of the contest. This will allow the contest to go faster and smoother. All spectators should remain in the bleachers and be respectful to all contestants.
